English Version

There is an auto-translated english version of the documentation, please find it here: [innotrans-2022 en-US.pdf](#).

Information regarding Covid

According to Messe Berlin, no special measures are currently in force on the exhibition grounds. There is no obligation to wear masks in the buildings of the trade fair.

More information:

- [Fair Berlin](#)
FFP2 masks are mandatory on public transport in Berlin and Brandenburg. You can find
- [Berlin transport company](#)
inexpensive FFP2 masks in packs of 50 [here](#), for example.

Test centers in Berlin (for Covid symptoms): <https://www.direkttesten.berlin>

Swissrail badges

The stand personnel of all co-exhibitors will be provided with badges by Swissrail. The badges serve as *name tags* and allow *access to the Swissrail restaurants*. The badges are **not** valid as an admission ticket to the exhibition.

Until one week before the show you can register your booth staff via this [link](#). If you need badges later, you can order them from the hostesses - but please note that the exhibition will then take some time.

You will receive the badges for your stand personnel on Monday, 19.9.22 from the Swissrail team.

[Register stand personnel](#)

Printing on the joint stands

Combined printers/scanners are available at the information desks of both booths.

- For scans, please contact the hostesses.
- To print send an email with or without attachment to the following email address:

Hall 2.2: halle2.2@print.swissrail.com

Hall 26: halle26@print.swissrail.com

You can pick up your printout afterwards from the hostess at the information desk.

Day tickets for visitors (cheapest option!)

- allow access during regular opening hours

- are valid on the day of validity as a ticket for the Berlin
- public transport are only valid for 1 day

A handling fee of CHF 0.05 is due per code. If the code is redeemed, costs of EUR 7.31 are incurred.

After ordering, you will receive an Excel file with the number of ordered codes. You can give the codes to your business partners, who can use them to create an entry ticket via InnoTrans website. Important notes:

- Make a note of who you have given which code to - this is the only way to find out later who has accepted your invitation
- Each code can only be redeemed once - be careful not to duplicate codes!

We will invoice you for the cost of admission tickets with the final invoice. Please place your order early. Orders placed less than a week before the show will have to be fulfilled separately and therefore we will have to charge you directly the more expensive handling fee of the show.

Do you no longer have the order link? You can retrieve it again [here](#). Please note: The main contact of your company is stored with us. If you do not receive a link, please try the email address of the main contact.

Admission tickets 1 day / season ticket

You can use the following promo code to purchase discounted tickets from Messe Berlin:
INNO22_AV_CH_436

Prices:

Day ticket: EUR 20 (normal price: EUR 50)

Season ticket: EUR 30.- (normal price: 75 EUR)

Enter the promo code INNO22_AV_CH_436 under this link at "Redeem coupon":

<https://innotrans.de/de/besucher/tickets/>

Exhibitor badges

- allow access to the fair one hour before the start of the fair are
- valid for the entire duration of the fair
- are valid during the trade fair days (Tue-Fri) as a day ticket on Berlin's
- public transport system are personalized

You can order exhibitor passes at this link:

<https://airtable.com/shr1pjWkt...>

Each co-exhibitor will receive 1-5 free passes (see below). Please order the total number of passes required. On the final invoice we will charge you only for the additional passes. Since each order at the fair involves a handling fee, we order the badges in bundles. You will therefore receive the codes with a delay.

After ordering, you will receive codes that you can use to personalize and download exhibitor passes on the Messe Berlin website.

Please order early. Orders less than one week before the fair we have to execute separately and therefore charge you the handling fee of the fair directly.

The number of free passes depends on the size of the stand:

Stand size (m2)	Number of badges free of charge
6 - 12	1
15 - 36	2
41 - 56	3
70 - 82	4
90+	5

Assembly and disassembly passes

In contrast to previous years, personalized passes are now required for set-up and dismantling. You can order the passes using the link below. The facts about the passes:

- You can generate one assembly/disassembly badge per code. The codes are free of charge
- The badges are personalized
- The passes are not valid during the trade fair
- The passes are not valid for the Berlin public transport system

Restaurant

A restaurant will be available at both booths for co-exhibitors and their guests.

Meal times:

To reduce the crowds at 12:00 there are 2022 meal times where you are guaranteed a hot menu
11:30 - 14:00

Restaurant rules:

Access only with badge. Of course you can bring guests with your badge.

No laptops, tablets, etc: The restaurant is not intended as a work area, but as a place to interact with business partners and customers.

Tables cannot be reserved.

Meeting room on the joint stands

As in previous years, meeting rooms will be available on the stands in 2022. In Hall 26, there are two meeting rooms for 6 and 8 people right next to the stand. In Hall 2.2, we now have 5 meeting rooms for 6-10 people. The meeting rooms can be booked with the hostesses from the beginning of the fair.

Booking of meeting rooms with the hostesses at the information desk in halls 2.2 and 26.

Please note the binding [rules for the use of the meeting rooms!](#)

Note: The meeting rooms are separated only by thin walls and are therefore not suitable for confidential discussions.

Meeting room availability: <https://swissrail.skedda.com/booking>

WLAN / Internet access

A Swissrail WLAN is available at both stands:

Hall 2.2:

SSID: SWISSRAIL2.2

Password: swissrail2022

Hall 26:

SSID: SWISSRAIL26

Password: swissrail2022

Meeting room in the basement in front of hall 2.2:

SSID: swissrail-meetings

Password: meeting@innotrans22

Ambassador reception on Thursday

As in previous years, the Swiss Ambassador in Berlin will be visiting us at the show. The key data:

- The reception will take place on Thursday, September 22 at 16:00. All
- co-exhibitors will receive an invitation from Swissrail.
- If additional persons (e.g. customers, contacts) are to be invited, please enter them [here](#).

Travel to and from the fair

In principle, it is advisable to travel by public transport (S-Bahn), as there is often congestion around the exhibition grounds. The S-Bahn is also sometimes overloaded during the trade fair period. Expect an arrival time between 30 and 45 minutes.

public transport from Hotel Titanic at Gendarmenmarkt

- 10 minutes walk to Friedrichstrasse station or U6 from Französische Straße to Friedrichstrasse station
- S3 to Messe Süd

[To the timetable](#)

Shuttle buses

There will be no hotel shuttles in 2022. Information from Messe Berlin about this:

Due to bottlenecks in buses and staff, we are unfortunately unable to offer a hotel shuttle at this year's InnoTrans. We kindly ask for your understanding. We will offer our other shuttles as usual. This includes the lines:

- **Airport Shuttle** à between exhibition grounds & BER Airport
- **City Shuttle** à between exhibition grounds & Zoologischer Garten
- **M1** à between trade fair grounds & parking lot at Olympic

Square (also available during set-up and dismantling time)

We also recommend using public transport - all exhibitor and trade visitor tickets already include a ticket for the ABC fare zone.

Additionally, you can customize the first/last mile of your arrival and departure via our newly created shared mobility spaces. [More info](#)

you can find [here](#). App
